

Kashyap Kashmir Sabha Gurugram

Notification

Dated 25.11.2021

Subject: Elections to KKS executive Committee.

Dear KKS members,

Namaskar.

Whereas notification for holding KKS Executive Committee elections was initially issued on 21st March 2021 scheduling elections during April-May 2021; the process was kept on hold indefinitely due to Pandemic. Following improvement in overall Covid situation, the stalled election process was re-started and notification for revised election schedule was issued on 10 July 2021. As of 1st August 2021, based on the finalized list, nominees for 14 out of 16 positions of executive committee were elected unopposed. Voting for two positions (President and 2 vice presidents) was to be scheduled for 8 August 2021.

Based on the petition filed before District Registrar (DR) Societies Gurugram by six respected KKS members, challenging the legality of election process, the DR had ordered on 5th August keeping of KKS elections in abeyance. On the basis of arguments and evidences led before the Registrar in various hearings, the learned DR has now issued orders dated 22nd November 2021 whereby orders dated 5th August 2021- of holding on- going election process in abeyance-, has been withdrawn and KKS has been directed to complete the pending/stalled election process.

Now, therefore, the remaining process of elections i.e. voting, counting of votes and results for the Position of KKS President and two Vice presidents will commence on morning of 5th December 2021 (Sunday) and conclude on the same day. Venue of election will be temple land Palam Vihar, Community centre Sushant Lok and community centre Silver Oak DLF phase 1 and voting time would be 9.30 AM to 11.30 AM at Sushant Lok, 12.00 PM to 1 PM at DLF and 1.30 PM to 4.30 PM at Palam Vihar.

The elections will be subject to adherence to pandemic guidelines/Protocol and restrictions imposed by government on size of gatherings etc. Voters are requested to carry ID with them.

(Returning Officer)
